

# Black Mountain Trekking

The Black Mountain range nearly divides the country in two, running from north at the Tibetan border to the south, rich in wildlife. The trail goes through high valleys of Gogona and Khotakha. The big monastery of Pema Lingpa at Gangtey Gomba and small beautiful active Gomba at Gogona are worth visiting. The route follows rich rhododendron forest and typical villages. Black Mountain trekking in Bhutan provides trekkers to view many flora, fauna and many other natural resources. Trek to Bhutan is one of the best ways to spend your holiday and vacation.
