

Gokyo & Renjo La Pass

This is an alternate route to Everest base camp or Kalapattar via Gokyo and high alpine Cho La pass (5420m.). The region is considered to be the amphitheater of vast natural surroundings with the existence of rare flora, fauna, and its unique ecosystem. Mystically described to be the Yeti route, this trek provides comfortable accommodation facilities en route except in Dzong La.

This trek offers you a very beautiful open view of mountains such as Thamserku, Amadablam, Baruntse, Makalu, Everest, Lhotse, Cholatse, Lhotse Shar and Nuptse etc. from Gokyo. You have to set out your trekking from Lukla-a place, which can be reached by air service from Katmandu
