Rafting trip on Trishuli River

Nepal has an amazing diversity of rivers. White Water Rafting on the following rivers at the bottom of the Himalaya is an absolute was to feel Nepal. Started from Nepal's Holy Lake Gosainkunda and that meets, Marshyandgi, Trishuli River is considered to be Nepal's Most Popular River for river fun. Trisuli River is an exceptional river for those Rafters who are looking for a short river trip, without the challenge of huge rapids, but with some really exciting rapids, with beautiful scenery.
You will enjoy the scenery of Trishuli River with gorges and a glimpse of the cable car leading to the Hindu Temple Manakamana while paddling down and down. Another opportunity is to relax at the beach River with strangely shaped rocks which remind you of sculptures.

During the monsoon months, the strength of the rapids increases and attracts a radically different set of rafters. However, there are a few sections for rafting during the period for the rafters who are looking for a simply exciting trip. The boat and guide we provide you are absolutely private paying attention for your safety.
